SACRED HEART COLLEGE  
Belmont, North Carolina

His Excellency  
Most Reverend Vincent  
S. Waters, D. D.  
Bishop of Raleigh

Bishop Vincent S. Waters is a father and a pastor in his office as Bishop of the Diocese of Raleigh. An example to His flock, Bishop Waters was a pioneer in his stand for racial justice early in the movement for desegregation. The Diocese has developed in a tremendous way under his leadership.

Sacred Heart College students and Faculty benefitted from the surprise snow storm this winter which afforded a 2-day visit from Bishop Waters during which he offered Mass and addressed the congregation.

Bishop Waters showed his special interest in Sacred Heart College when on the occasion of the Seventy-Fifth Anniversary Dinner in March, 1968 His Excellency presented Sister M. Stephen, the College President with a gift of \$10,000 for the Theology Department.

The background shows a cloudy sky and some trees.

Sacred Heart College Will  
Continue Program for Medical Assistants

A Medical Assistants program leading to the Associate of Science Degree at the end of two years will be continued even though Sacred Heart College is advancing to the stage where it will offer four year programs in which the Bachelor's Degree will be conferred in the Spring of 1970. The Medical Assistants Courses are being continued because there is an increasing demand for them in the United States.

Medical Secretary Courses at Sacred Heart College were recently listed as among the top twelve in the Nation in a recent poll of programs being offered in the United States at the present time. The poll was conducted by the American Association of Medical Assistants with Headquarters in Chicago, Ill.

Mrs. Louise King, Chairman of the Certifying Board of the A.A.M.A. visited Sacred Heart College in order to evaluate the two-year program being offered at Sacred Heart College.

## *Delta Psi Omega Initiated*

DELTA PSI OMEGA the largest national honorary dramatics fraternity with over 200 chapters in the United States has granted a charter to Sacred Heart College to form a "cast" Chapter No. 246. Charters are granted to colleges that maintain the highest standards of dramatic excellence and that have an active college-community theatre. Three founding members were selected on the basis of their hard work and dedication to the theatre arts. They are: Patsy Conlon who has appeared in such productions as FOR HEAVENS SAKE, THE CRUCIBLE, and NO EXIT, and Starr Williams who has appeared in ST. JOAN, BLITHE SPIRIT, and J.B., and Danny Treece of Belmont Abbey College who has appeared in ST. JOAN, THE LONG CHRISTMAS DINNER, AND THE CRUCIBLE. These members were selected not only on their acting abilities but on the basis of stage craft, directing, and overall theatre experience. Mr. B. Michael Wood.

Head of the Dramatics Department at Sacred Heart College and a member of the fraternity since his undergraduate days as founding moderator of the fraternity.

SACRED HEART COLLEGE BELMONT, NORTH CAROLINA

## Union Formed

The College Union of Belmont Abbey and Sacred Heart Colleges is now a working reality. Kevin Hislop of Belmont Abbey was voted President of the Union on September 18th and on the following day Maureen McDermott of Sacred Heart College was elected Vice-President. Sr. Mary Timothy and Brother Gregory are the union moderators. The secretary of the Union, Kathy Kooch, was appointed by the President and the Vice-President of the Union.

The establishment of the Union was to combine all social activities between the college. These activities will consist of lectures, dances, club organizations, and the Coffee House.

To help the Union function to its greatest capacity five committees have been set up. The committees are as follows: Operational, which will include the coordination and implementation of Union functions; Social, which will plan the dances, games, popular films, and lectures; the Coffee House committee which will plan and direct the Coffee House of the Union; the co-

"Kevin Hislop, President and Maureen McDermott, Vice President of the newly formed College Union of Belmont Abbey & Sacred Heart Colleges"

curricular committee which is the coordinator of all cultural events; and the publicity group which will handle communications and news releases for all Union events.

The Chairman of each committee is a member of the Union Board. It is the duty of the board to act on all matters that are brought up in committee meetings. The chairmen were elected to serve as temporary board members on September 30th, and the permanent chairmen will be elected each weekly meeting.

The Homecoming Dance is the first project that the Union will sponsor and it is hoped that through this dance the Union will be able to judge student support for the upcoming year.

## Faculty Expands

With the beginning of the 1968-69 school year 16 new faculty members have been added to the Sacred Heart and Belmont Abbey campuses.

In the Theology dept., Fr. Jerome Doldorff, who holds a B. A. degree from St. Benedict's College in Atchison, Kansas and a B. A. in French; Fr. Nicholas Baldacci, graduated cum laude from St. Benedict's College with an A. B. in German. He did summer graduate work at Catholic U. and completed Theology training at Belmont Abbey College. He has been teaching German and Theology at the Abbey for the past five years.

New at Sacred Heart is Miss Gaillard Ann Boller, who has received a B. A. from St. Mary's College in Notre Dame, Indiana, and an M. A. from the University of Notre Dame in Theology. She was previously an instructor in Theology in Sacred Heart University, in Bridgeport, Connecticut. She is presently residing here at Sacred Heart in Doyle Hall, as is Miss de Simone, Miss Deatrict, and Mrs. Reimann.

In the Philosophy Dept. one addition has been made to each college. Sr. M. Dominic Twohill O. P. holds a B. A. degree from Manhattan College in New York, and a Ph.D. from Fordham University in

Sacred Heart welcomed Sister M. Timothy, our new dean of women. Although she is new to many, she was here two years ago as Assistant Dean of Women.

Before coming to Sacred Heart, Sister Timothy was principal of St. Gabriel's school in Charlotte. She is also experienced in work with Gen-

eral Administration in the Mercy Hospital Laboratories. She received her Bachelor's Degree from Belmont Abbey.

Through co-operation and action the transition from a two year to a four year college can be a process of change, growth, and increase in the role of the student as the responsible party.

## Students Join Committees

During this summer discussions were held by the members of Sacred Heart's faculty and administration concerning the possibilities of student representation on the college's administration. A vote was taken by the administrative and faculty members with the outcome being in favor of the student. Now nine of Sacred Heart's administrative committees have some student representation.

With the transfer of Sacred Heart into a four-year college, emphasis on student and administration relations is increasingly important. With the expansion of any school, this contact tends to become more remote. In the words of a member of our administration, "The students need to know what is going on so there is less misunderstanding." Hopefully, the inevitable friction between students and the "wall" will be lessened as a result of this program.

tory at the University of Pennsylvania. She also formerly taught at the Community College of Philadelphia. Miss Rita Francis Deatrick holds a B. A. from Western Kentucky, an M. A. in History from the University of Georgia, is a candidate for her Ph.D. also at the University of Georgia.

The Art Dept. welcomes Sr. M. Theophane, who has returned after a one year leave of absence.

M. Christine, Chairman of Education Dept., also turned to Sacred Heart after a three year leave of absence, during which time she earned her Doctorate Degree at the Catholic University of America.

Miss Elizabeth William Boujus is the new addition to Sacred Heart's Mathematics Dept. She has earned her B. A. degree at Women's College of

Both the faculty and the administration had a part in the selection of the students to be members of the administrative committees. First, the faculty submitted recommendations for each of the committees to the administration. The lists of favored students were then narrowed down by the administration with some additions made. The heads of the committees then selected their members. These administration committee members were appointed from the final list of students and the faculty.

It is hoped that in the near future that our newly-elected administration will gain a student member.

## Curriculum to Expand

The ideal curriculum is one which takes into consideration as completely as possible the unique interests and talents of each student. At the same time, such curriculum must bring to each student a range of studies and activities which will help to round out her educational experience.

Sacred Heart has tried to do this in the past, and hopes to continue to do so to a greater extent in the future.

As evidence of the strides which this institution plans to make during the coming academic year, the following new programs and courses were approved at the recent curriculum and administrative meetings:

a. CORE CURRICULUM The core program proposed for the student entering Sacred Heart in the fall of 1969 is intended to give students an opportunity to recognize problems, to analyze content, and to find relationships in the structure of knowledge. The new core program is shaped to serve as an awakener. Hopefully, as the student is exposed to the interrelationship of knowledge, and thus to a broad range of knowledge, she will find new interests, adopt new attitudes, and assume new directions. Mathematics, science, and foreign languages will be required only when they are needed for the pursuit of a particular major, but encouraged for all who are interested in pursuing these disciplines.

b. New courses in philosophy include "Philosophical Anthropology", "Background of

Modern Philosophy" and "Contemporary Philosophy."

c. New upper-level courses in Drama include "Advanced Acting", "Children's Theatre", and "Play Production."

d. In the area of Humanities 301-302, "Influential Ideas in Man's Cultural Development" or Humanities 401-402, "Twentieth Century Problems." Taught by a team of instructors who are specialists in their fields, these courses will explore the various ideas and problems from the perspectives of history, literature, philosophy, theology, psychology, and sociology. A four-year program designed to give the student a Bachelor of Arts with a major in Music has been approved, but the date of its implementation has not yet been decided. Several factors, including faculty, student enrollment, and equipment need to be considered before a final decision regarding the inauguration of the program can be made.

In presenting and revising programs and courses, the curriculum committee felt much more responsibility for the student's education will be placed upon the student herself, and student progress should be based on demonstrated competence and real mastery rather than on an accumulation of credits and grades. Hopefully, these new programs, in addition to those in existence, will affect many changes among the students, and as a result, Sacred Heart students will be equipped to assume leadership roles in whatever walk of life they may choose.

## Mr. Henry Leaves SHC

Mr. John J. Henry, Director of Development, left Sacred Heart on March 20 to assume the position of Director of the Alumni Annual Fund at Georgetown University in Washington, D.C.

Mr. Henry's secretary, Mrs. James Ausman, will assume his duties for the rest of the semester.

During his two years at Sacred Heart, Mr. Henry's main job was fund raising. He directed the \$500,000 capital funds campaign, in which money was solicited from companies, organizations, and individuals. He began an annual fund drive which will begin on February 20th and end on June 30th of each year. Mr. Henry also worked in Public Relations and Alumni Relations, and was a member of the Administrative Committee of the college.

He will remain on the Board of Advisors at Sacred Heart and will return for bi-annual meetings.

Mr. Henry was born in Worcester, Massachusetts. He graduated from Georgetown University in 1955 with a Bachelor of Science Degree in philosophy. He then served in the Navy for three years.

John J. Henry

## Fraternity Founded

The honorary dramatics fraternity, Delta Psi Omega, held its founding and initiation ceremonies, March 24, 1969, in Warde Hall of the Sacred Heart College Library. The fraternity, which Sacred Heart is very proud to be part of, is the largest national honorary dramatics fraternity in the United States. Its purpose is to honor in a special way those students in college who have excelled in the Dramatic Arts; in acting, stage craft, and in dedication and service to the theatre. The motto of the fraternity is "all things well done."

Those aspiring to be members were presented in a formal procession. Before giving a word of instruction to the aspirants, Mr. B. Michael Wood, Faculty Sponsor and Director, presented the charter for Chapter 246 of Delta Psi Omega to Sacred Heart College. The aspirants then stood and took their oath of membership. Those who

received the honor of being the first members were: H. Daniel Treece, Jr., G. Starr Williams and Patricia Conlon.

H. Daniel Treece, a resident of Belmont, is presently a Junior at Belmont Abbey College. Mr. Treece took the oath of the office of President.

G. Starr Williams, of Secretary, Maryland, took the oath of the office of Vice-President.

Patricia Conlon a resident of Port Monmouth, New Jersey took the oath of the office of Secretary-Treasurer. Both the Misses Williams and Conlon are members of the Junior Class at Sacred Heart College.

These students, who were honored at the Monday evening ceremonies, have worked nearly two thousand hours on production here at Sacred Heart College. They have also demonstrated a sincere devotion and sense of commitment to the Theatre.

## Orientation To Be Revised

The purpose of Orientation is to help the Student adjust to all life. A good Orientation new students a damage of a take years to

to how this d include a mbers of the ttee be drawn ses. This will cross section as diversified t College life Sophomores

sometimes tend to be more concerned with being upperclassmen and are much too hard on the Freshmen. A mixture would help to alleviate this.

Plans now being formulated will cut down on the social emphasis by limiting hazing and bennies to a two week period.

Also under discussion was whether or not sophomores are ready to accept the role of Big Sisters. No final decisions have been made but the predominant feeling is that juniors and seniors should serve in this capacity for the freshmen and Sophomores.

A recommendation was made that dorms be integrated with all four classes as a more effective means of insuring the success of our system of House Government. Freshmen would be more aware of what is expected of them in this area and it would contribute to the overall program of Orientation.

On March 26, 1969, Sacred Heart College presented its new class rings at the first annual Ring Dinner. The evening began with a steak dinner for the rising Seniors and the graduating Sophomores. Father Anthony, Chaplain, blessed the rings. This was followed by an address given by Sister Mary Stephen, who then presented the rings.

The Inspiration of an Artist-Teacher

Collage by a promising young student -- Sister Kristin

Patient attention to detail

Sacred Heart Art Department has new studios this year

The Historic Tatum home in Belmont has been acquired by the Art Department. The personalities of the teachers and the harmonious use of color in the furnishings make it a haven of beauty.

Pottery and enameling is a popular course at Sacred Heart College. Mrs. George Mintich (Mrs. Mary Mintich) of Belmont is a gifted artist and a skillful instructor. She is a member of the staff of the Sacred Heart Art Department.

Mrs. Mintich has a Bachelor's Degree from Indiana University and she has done graduate work at the University of Tennessee and the University of North Carolina at Greensboro. She taught at East Mecklenburg for six years. Her pupils in crafts have taken National Scholastic Art Awards for the past six years.

Mrs. Mintich has conducted an in-service Training Class through the State Department of Education. These in-service classes were to meet the needs of teachers in the area of crafts.

The National Enameling Award from Everson Museum in Syracuse, New York was recently awarded to Mrs. Mintich.

After spending the past year working with the Abingdon Square Painters, Inc., in New York City, a group headed by Mrs. Harriet Fitzgerald, nationally-known artist and lecturer, Sister M. Theophane has returned to her post as Head of the Art Department at Sacred Heart College. Sister Theophane will exhibit her work in an art show in McCarthy Library in October.

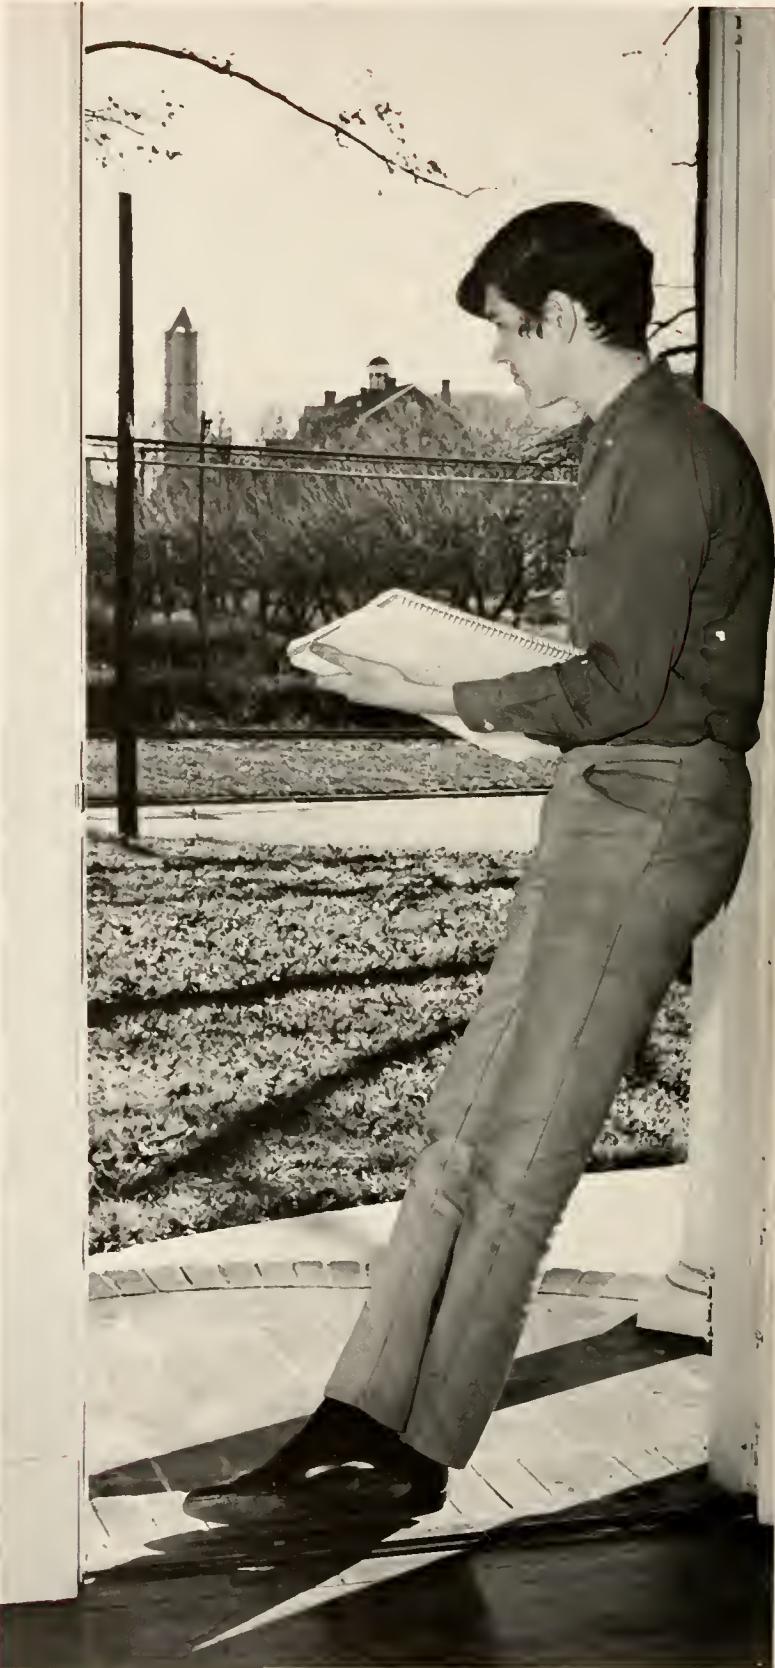

Sister Theophane is an exhibiting member of the Guild of Charlotte Artists. Her students frequently have pictures on exhibit and many of them have won recognition in art shows. In recent years some of them have been selected to attend the Governor's School of Art at Salem College in Winston-Salem, North Carolina.

These Leaders Have Contributed Greatly to the Developments of the past Few Decades at Sacred Heart College.

KENT HALL — dedicated on October 27, 1968 is the most recent addition to the Sacred Heart Campus.

Mother Mary Benignus, Mother General of the Sisters of Mercy, whose vision and foresight have pioneered Campus Development. The Faculty Residence is a monument to her spiritual wisdom and practical expression of the same. Sister M. Stephen, President of Sacred Heart College has led the College through a period of steady and impressive growth in the Sixties.

Sister M. Michel, Treasurer of Sacred Heart College, has been a key person as the College moved forward to its present status.

Mr. John J. Henry, Director of Development since 1965, has managed a very successful campaign. Monsignor John A. Rouesche represented Bishop Vincent S. Waters at the Kent Dedication Ceremonies. Monsignor Rouesche has a sister who is a Sister of Mercy in the Belmont Community, Sister M. Xavier.

SACRED HEART COLLEGE and BELMONT ABBEY COLLEGE, dedicated to providing always the finest in the arts and nurturing an appreciation of the cultural life, not only for their students but for the entire community, offer this year on campus and in the community one of the most enriching and varied programs ever presented in this area. We open our doors and say "welcome" to students and friends. Come and share in the richness of the arts with us.

For the first time the two colleges join with the Gaston Fine Arts Council to provide a cultural program on the colleges' campuses, and in the local high schools and churches. This is truly a community service.

The program of the GASTON FINE ARTS COUNCIL is by far the most ambitious in its history.
